Aloha!

My wife & I bought our house at 66-475 Kilioe Place in 1981, and have lived here in this house ever since.

I am not opposed to growth, but I am very much opposed to Wallace's proposal for lots for 5 bedroom homes at the end of our street. The traffic alone in Haleiwa has escalated severely in the last few years. It's nearly impossible to make a left handed turn onto Kamehameha Highway from Kilioa Place. Adding 39 homes of 5 bedrooms each (with multiple cars in each home) will only exasperate this even more.

I like Scott Wallace, but I find it difficult to trust him. In 2011, when he was trying to obtain permits for 2 food trucks on property he purchased on Kamehameha Highway in Haleiwa, he said he would provide 25 parking stalls (one of the biggest current needs in Haleiwa town) along with a sidewalk in front. Six years later? No parking & no sidewalks.

Years ago, when Wallace first purchased the land at the end of Kilioe Place, he had a Bar-B-Q and invited all of us neighbors as a chance to dialouge and get to know each other. Great gesture! He cleverly asked us if we would be interested in purchasing a lot some day. Thinking this might go through, we inquired, "How much?" Now he claims that one half of Kilioe Place residents are in favor of these lots. WAIT! TRY ASKING THE HOME OWNERS NOW IF WE ARE IN FAVOR! NOT ONE OF US IS FOR THIS!

Please vote against this - for traffic reasons, agricultural reasons (which I haven't even gone into detail here), and for Wallace having a history of failure to follow through on previous projects.

Mahalo for your time - Mike Stangel
